Meenmutty waterfalls - The largest and most spectacular waterfall in Wayanad, Meenmutty is a three-tiered fall located in the middle of a lush, moist, tropical forest,. The water plunges down from about 300 meters in three stages, and all the three stages require separate treks. The first tier can be reached by walking for about half km from the parking area. The second tier can be reached by trekking up through steps built over boulders. The half km path runs along with downstream of the river and offers wonderful views of the stream and thick vegetation.
