## **Detailed Itinerary:**

### **Day 01 – Arrival at Bali**

Arrival at Bali International Airport Ngurah Rai (DPS). Our representative will welcome you at the airport then transfer to your hotel.

### **Day 02 – Full Day Ubud Kintamani Tour with Tukad Cepung Waterfalls**

After breakfast proceed for Kintamani tours which will guide you around some of the most desirable and beautiful areas located in the northeast of Bali including incredible views of the Mount Batur volcano and the lakes of the area. As with most tours the eight hour tour begins at 9am at your personal hotel where air conditioned transport to the first locations that are traditional markets where cheap and beautiful gold and silver where can be purchased and examined as well as carving of grand size and smaller examples that may make practical gifts or souvenirs. The Tukad Cepung Waterfall is one of the best among Bali waterfalls. You will be captivated by the beauty of the waterfall. A beautiful sight that you will see when you visit the waterfall, is the sun rays reflecting in the glistening water projecting a rainbow, which seems absolutely ethereal. The waterfall is well hidden between rocks and once you visit the place, you will be filled with a sense of peace of tranquility in the cool atmosphere of the Tukad Cepung Waterfall. Overnight stay at hotel.

### **Day 03 – Transfer from your Hotel in Bali to another**

After breakfast check-out from your hotel. You will be transferred to your other hotel in Bali. Check-in at the hotel.

### **Day 04 – Water Sports Half Day**

Experience Tanjung Benoa beach with the water recreational rides; banana boat, jet ski, and flying fish. You will have 1 time of Banana boat where you sit on an inflatable boat with banana shape and pulled by a speed boat moving around Tanjung Benoa coastal water. 1 time ride on personal watercraft called jet ski guided by instructor, and 1 time ride of inflatable boat in flying fish-shaped, will be pulled by a speedboat with a high speed so it can lift and fly into the air. Your speedboat captain will bring you to the ocean to ride your flying fish boat.

### **Day 05 – Half Day Garuda Wisnu Kencana**

Garuda Wisnu Kencana statues lie in a 60-hectare area surrounded by gigantic limestone. The GWK statues that once were an impending landmark for a long time now are finished. The original plan was to build a 120-meter tall statue. Its location also has the best spot for city sightseeing. From the top of Ungasan cliff, visitors will get a glimpse of the city landscape and the radiant sea view. It's not exaggerating to say that GWK Cultural Park is a

one-stop destination. Because here tourists could watch several performances in one place. It's common to watch dance shows in tourist spots in Bali. Like Uluwatu temple has a Kecak fire dance show before sunset. But in Garuda Wisnu Kencana Cultural Park, there are different dance shows and performances held every day. From traditional Balinese dance, barong dance. And the most theatrical show perform in Amphitheater is the Garuda Wisnu ballet. To close the evening, GWK even does Kecak dance too.

### **Day 06 – Monkey Forest + Taman Ayun Temple and Tanah Lot - Transfer to another Hotel**

After breakfast check-out from your hotel. You will be transferred to your other hotel in Bali. Check-in at the hotel.

Today's tour, you will be taken to Taman Ayun Royal Family Temple at Mengwi Village and there after tour to Alas Kedaton Monkey Forest. Final stop will be at spectacular Tanah Lot Temple which stands proudly inside the ocean on the rock. Shopping time is available on this visit for any kind of Balinese handicraft products good for souvenirs and or for collection. Best recommendation to reach Tanah Lot at least 5 PM for sunset view (if weather permitted).

### **Day 07 – Uluwatu Kecak Dance**

In the evening proceed for tour of Uluwatu Temple. Hanging on a cliff 100 m above the ocean, Uluwatu Temple is a great sight. In the meanwhile, you see the Kecak Dance performed by 50 dancers. Matter of fact, this dance is the only one based on vocals than instrument, dating far back into Balinese history, prior to the use of instruments.
